**O R D E R :**

The All India Council for Technical Education in their letter 2<sup>nd</sup> read above has accorded approval for variation of intakes in the S.R.K. Institute of Technology, Enikepadu, Vijayawada, Krishna District.

2. The Commissioner of Technical Education, Andhra Pradesh, Hyderabad in his letter 3<sup>rd</sup> read above while forwarding copy of All India Council for Technical Education approval, has requested to take necessary action in the matter.

3. The Secretary, A.P. State Council of Higher Education, Hyderabad in his letter dt.3.10.2008 has informed that the Admission Committee in its meeting held on 3.10.2008 has resolved to conduct Web based counseling process for admissions in Engineering & Pharmacy colleges with effect from 12<sup>th</sup> October 2008 by including all the new colleges and additional intakes sanctioned in the existing colleges having the required permissions viz., Permissions by AICTE, Government permissions and affiliation from the concerned University apart from the converted and cancelled seats by inviting students from Rank No.1 to give their options. The students who would join the colleges following this resolution will be able to satisfy the academic regulations laid by the Universities. Hence no action has been taken at Government level, on the proposals of the Commissioner of Technical Education received after 12.10.2008 including according approval of increase of seats from 60 to 90 in CSE in SRK Institute of Technology, Enikepadu, Vijayawada as the papers relating to the said college, routed through the Commissioner of Technical Education, Andhra Pradesh, Hyderabad were received by the Government only on 13.10.2008

4. In the meanwhile, the Chairman of the SRK Institute of Technology has filed WPMP No.29279 of 2008 in WP No.22472 of 2008 before the Hon'ble A.P High Court. The Hon'ble Court has passed interim orders dt.15.10.2008 directing the respondents to pass appropriate orders on the representations made by the Petitioner's Institutions for grant of approval.

Contd..2.

5. In pursuance of A.P.High Court orders, the matter has been examined by the Government. Since the Secretary, A.P. State Council of Higher Education, Hyderabad has informed that EAMCET Web counseling process for admission in Engineering & Pharmacy Colleges has been stated by calling from rank 1 onwards, w.e.f. 12<sup>th</sup> October, 2008 which is mandatory in order to satisfy the criteria of merit and transparency in the admission process, as stipulated by the Hon'ble Supreme Court of India in P.A. Inamdar Vs. State of Karnataka, it was considered not appropriate to accord permissions either for new colleges or for variation of intakes in the Engineering / Pharmacy Colleges. Hence, the matter has been considered and orders have been issued in the G.O 5<sup>th</sup> read above rejecting the representation of the Chairman of the College.

6. The Chairman of SRK Institute of Technology has again approached the Hon'ble High Court of AP by filing another WP. The Hon'ble HC in their interim order dt.25.10.2008 in WP MP No.30174 of 2008 in WP No.23159 of 2008 directed as follows:-

*Learned counsel for the petitioner submits that the Government has issued G.O.Ms.No.202, dt.22.10.2007 for the academic year 2007-08 permitting the concerned colleges to fill up 'B' Category seats.*

*Learned Government Pleader for Respondents 1 and 2 submits that the petitioner has not taken affiliation with regard to the additional intake from the concerned university.*

*In that view of the mater, there shall be interim direction to the respondents 1 and 2 to consider the representation dt.15.10.2008 and take appropriate decisions within a week subject to the petitioner securing the affiliation with regard to the additional intake from the concerned University."*

7. Since the EAMCET Counseling for admissions through SW.I are already over for the academic year 2008-09 and as such there is no scope for filling up of the category 'A' seats in the said college at this stage, the Government, after careful examination of the entire matter have decided, to accord permission to fill-up only 'B' category (25%) seats out of the enhanced intake of the College.

8 The Government therefore, in partial modification of orders issued in G.O 5<sup>th</sup> read above, hereby accord permission for filling up 'B' category seats for the increased intake in the S.R.K. Institute of Technology, Enikepadu, Vijayawada, Krishna District as detailed in the table below for the academic year 2008-2009, subject to fulfillment of conditions stipulated by the All India Council for Technical Education and obtaining affiliation from the concerned University.
